GEORGETOWN AND ITS AFFAIRS.

GEORGETOWN, November 1-12 m. Beautiful Wharf Improvements. - Mr. Henry Thomas, with a number of hands, is engaged this morning in erecting for Mr. Robert Dodge a fine new wharf, in the rear of his warehouses, near High street. This is a very necessary im provement, and one that will be, no doubt, quite an accommodation to those merchants whose places of business lie contiguous to it. It will have about sixty feet water front. The fine wharf of P. T. Berry & Son, at the foot of Market street, is nearly completed, and will be, after a little more filling up, ready for service. This wharf, I have been informed, is intended principally as a place for shipping coal; for which purpose it is admirably adapted-it being within a few hundred feet of the canal. with a steep descent all the way from the canal to it.

The editor of the Advocate suggests to our citizens the propriety of providing our town with gas-lights. This is a wise suggestion, and one which it is hoped will not, like many others, pass in at one ear of our people and out at the other, but that our property owners and business men will do as they have done in our sister cities-go to work and form a company, and supply us with this much-desired blessing, that nocturnal ramblers may no longer be left, as they have been, to grope their way in the dark.

Disorderly Conduct .- Bridge street was made the scene of uproar and riot last light by a number of disorderly persons from Washington. The watch arrested the ringleader of the party, and tried to get him to the watch-house, but he was rescued by the balance of his party, some twelve or fourteen in number. The Mayor hearing the noise, came out and attempted to restore peace, but one of the party drew a pistol and pointed it at him, and another threw a large stone and struck him on the collar bone, injuring him quite seriously; several of the watch were struck during the melee. As soon as their names can be obtained, the public shall know them.

The following officers have been elected to serve in Heber Tent, No. 298, I. O. of R., for the ensuing term : Sh., G. F. Kidwell; P. C. R., J. T. Bangs; D. R., J. F. Birch; R. S., C. A. Newton; F. S., Wm. Blackman; Treas., T. A. Newman; Levite, J. H. Kidwell; I. G., Wm. Chamberlain; O. G., H. Wagner; Chief, Thos.

Our market was well supplied this morning with prime meats, poultry, vegetables, &c. Beef, best cuts, 8c. per lb.; mutton, 6@8c.; bacon of all kinds, 121c.; pork, 10c.; veal, 8@ 10c.; butter, 20@314c.; eggs, 25c. per doz.; chickens, undressed, \$2.25@\$2.50; chickens, dressed, 50c. per pair; lamb, 371@621c. per quarter; potatoes, sweet and Irish, 25c. per peck; apples, 25@371c.; tomatoes, 25c.; egg plants, 3@6c. apiece; cabbage, 3@121c. per head; partridges, 12½c. apiece; rabbits, 12½c.; and everything else at about the same rates.

Flour and Grain Market .- Flour rather in favor of buyers. For prime brands, holders are asking \$3.811@\$3.871, and buyers offering \$3.75@\$3.81. There was a sale this morning of 200 barrels, common brands, at \$3.75. Wheat, from wagons, brisk at 70@76c. for prime red, and 75@80c. for prime white. None arriving by canal or river. Corn, yellow, 56@ 58c.; white, 60@63c. Sailed .- Packet schr. Two Brothers, Tredway,

At General Twiggs's marriage, in Pensacola charivari, for the benefit of the poor, was got up; and the General handed over the amount nanded, (\$100,) and the crowd then suffered the bridegroom and bride to rest undisturbed. BLOOMERISM HONORED .- President Fillmore

I have examined an article prepared by Messrs. Hummel, Bohler & Co., of Philadelphia, called Essence of Coffee, which is intended to be used with coffee for the purpose of improving it. I find it free not only from any thing injurious to health, but, on the contrary, the ingredients of which it is composed are perfectly wholesome.

WONDERFUL DISCOVERY "NONE NEED DESPAIR."

All must admit there never has been given such a mass of genuine testimony in favor of any other medicine. Give it a trial! It cures when all other remedies have failed. Greater weight of testimony cannot be given—from the first men in this country.

Battrague, Sept. 18, 1851. BALTIMORE, Sept. 18, 1851.

GENTLEMEN: After a full and satisfactory trial of th medicine prepared by you, and very generally known as Dr. Hampton's Vegetable Tincture, which you recommended me to use as a relief for the debility and general rostration of my system, the result of taking three bo tles of this wonderful compound has, I am pleased to say esulted in a restoration of strength, a keen appetite, and an activity of body which I have not enjoyed for a long time. So satisfied am I of the virtues of this medicine, that I have confidently recommended it to many of my friends and acquaintances, and am happy to learn that in a great majority of cases the most beneficial results have stamped the infallibility of the Tincture. In my own case, I am satisfied that your advice to me to give it a trial has, under the blessing of a kind Providence, resulted in a restoration to health, for which I am truly thankful.

Respectfully, JOS. K. STAPLETON, 198 W. Baltimore street.

MORE HOME TESTIMONY.—NONE NEED DESPAIR. TRY IT AND BE CURED.—WONDERFUL AND PER-MANENT CURE OF DYSPEPSIA.

Baltimore, Sept. 13, 1851.

Mess's. Mortimer & Mowbray.—Gentlemen: This is to certify that in the year 1843 1 was attacked with a nervous affection, in consequence of Dyspepsia or Indigestion, which continued some eighteen months, during which time my sufferings were intense, both of body and mind. I tried every thing I could think or hear of, (as there was much sympathy for me,) and at length all efforts failed to cure me. I became much weakened, and could walk but a very short distance at a time, and was often in the act of failing upon the pavement, (I would stop in some door or alley to prevent it.) in consequence of frequent palpitations; and, from what I could learn, I supposed I had discase of the heart, from frequent distressing pains about the same; as also my chest and abtractions.

stop in some door or alley to prevent it.) in consequence of frequent palpitations; and, from what I could learn, I supposed I had discare of the heart, from frequent distressing pains about the same; as also my chest and abdomen—the latter being much distended. At this stage of my disorder I could neither eat, sleep or walk with any satisfaction to myself. Life seemed to be a burden to me. My feelings were gloomy beyond description.

I at length heard of Dr. Hampton's Vegetable Tincture, and made trial of it. I had but taken the first dose when I felt a change for the better, and hope immediately sprang up. I continued, with the use of this invealuable Tincture, to improve daily, until I had taken the contents of three bottles, which, under Divine Providence, made a perfect cure of me.

I found I had an excellent appetite, and could partake of any food, which I could not do for years previously without the most distressing sensations. I now enjoy uninterrupted good health, and have done so for the last six years; and would say to all afflicted as I have been, to cast aside your prejudices, and try Hampton's Vegetable Tincture. Any intornation beside this but meagre description of my case will be given cheerfully for the benefit of the afflicted. Yours, Will LIAM M. OLDIHAM, Custom-House; dwelling, Fayette st., near Fremont. SUCH A MASS OF HOME TESTIMONY MUST CARRY

CONVICTION TO EVERY MIND.

BALTIMORE, Sep. 18, 1851.

Messrs. Mortimer & Mowbray—Gentlemen: The cure of r. Robert Gault, by the use of three bottles of Hamp Mr. Robert Gault, by the use of three bottles of Hamp-ton's Vegetable Tincture, as per his certificate, is, I think, almost unprecedented. His case of extremely excruciating suffering, from Chronic Inflammatory Rheumatism, came immediately under my own observation, through the last four years, which I considered entirely hopoless. Through immediately under my own observation, through the last four years, which I considered entirely hopeless. Through my earnest persuasion, he was induced to try your invaluable Tincture. I was prompted to remark at the time, that if medicine would cure Mr. Gault, it certainly would "remove mountains." The knowledge of this miraculous cure compels me to consider it a duty I owe to the afflicted (and particularly to those with complaints like his) to make generally known the healing power of this truly wonderful medicine. Yours, most respectfully, JAMES P. MERRITT, 187 Bultimore street.
